QPS Training Workshop HLP and Safeguarding

Judith Poulton

Understanding HLP and Safeguarding to help you
achieve the Quality Payment Standard

This training will include

- * A walk through of the requirements to get you started on HLP
- * An update on the new CPPE level 2 course for Safeguarding.
- * This session will look at the changes and try to demystify the course.
- * Following the event you will be better equipped to become HLP and Safeguarding accredited
