

UNITY SEXUAL HEALTH ABORTION CARE PATHWAY

SETTING	Pregnancy Advisory Service (PAS), Marie Stopes International (MSI) and British Pregnancy Advisory Service (BPAS)
FOR STAFF	All clinical and admin staff involved in the abortion pathway in Bristol, North Somerset and South Gloucester (BNSSG)
PATIENTS	Pregnant women accessing Unity Sexual Health for pregnancy advice.

STANDARD OPERATING PROCEDURE (SOP)

ELIGIBILITY

Any woman who is registered with or eligible to register with a GP in Bristol, North Somerset or South Gloucestershire is eligible for a NHS funded abortion.

Please note- This description does not cover the pathway for abortion care where fetal abnormality is the indication.

REFERRAL

Women may self-refer or can be referred by a friend, family member or a healthcare professional.

All first appointments are booked via the Central Booking Service. This service is provided by Marie Stopes International (MSI) - **0345 8725435**

Women will be offered an appointment with PAS, MSI or BPAS for either a telephone consultation or a face to face appointment.

ASSESSMENT

Women will be seen at either:

PAS

Central Health Clinic, Tower Hill, Bristol BS2 0JD

MSI

Stoke Gifford, Bristol BS34 8TT

BPAS

Weston General Hospital, Weston Super Mare BS23 4TQ *[From 5th June 2017]*

Children under the age of 16 will be seen **only** in PAS where they will be assessed by two clinicians. They will be referred for treatment at an NHS hospital as appropriate or in some exceptions to MSI or BPAS.

Women seen at PAS

Can be booked into the following procedures:

- Early Medical Abortion at home (EMA) with immediate discharge (16 years and over)
 - **PAS** up to and including 10 weeks
 - **MSI** up to and including 9 weeks 3 days
 - **BPAS** up to and including 10 weeks
- Early Medical Abortion in hospital
 - **St Michael's Hospital** up to and including 10 weeks
- Late Medical Abortion

- **St Michael's Hospital** from 13 weeks up to 18 weeks. (Late medical abortion can be performed between 10 - 13 weeks but should be discussed with Unity PAS medical staff).

- Vacuum Aspiration Abortion under general anaesthetic:
 - **Southmead Hospital** from 7 weeks up to and including 14 weeks
 - **St Michael's Hospital** from 7 weeks up to and including 12 weeks
 - **MSI** from as soon as an intra uterine pregnancy is confirmed (i.e. yolk sac is visible on ultra sound scan) and up to and including 18 weeks
- Manual Vacuum Aspiration (MVA) under local anaesthetic (LA) or conscious sedation (CS)
 - **MSI** from as soon as an intra uterine pregnancy is confirmed (i.e. yolk sac is visible on ultra sound scan) and up to and including 14 weeks

Women assessed at MSI and BPAS

Telephone consultation-Following telephone consultation the women will be given a choice of where they would like the procedure to be done i.e. PAS, MSI or BPAS

Face to face consultation-These women will usually have the procedure at the service they attend for assessment. However, they may subsequently attend PAS if this is their choice or if indicated by presence of pre-existing medical conditions.

PAS staff should use the Central Booking Service number **0345 8725435** when booking women for a procedure at MSI

Southmead Hospital

Bloods and consent will be taken at PAS prior to admission to hospital.

St. Michael's Hospital

Bloods and consent will be taken at PAS prior to admission to hospital

MSI Bristol

Patients will have a finger prick blood test and consent on the day of procedure by MSI staff

BPAS

Patients will have a finger prick blood test and consent on the day of procedure by BPAS staff

STI testing- All women following the pathway will be routinely screened for chlamydia and gonorrhoea and offered screening for HIV and Syphilis.

PROCEDURES FOR WOMEN WHO REQUIRE AN OUT OF AREA REFERRAL

Gestation between 18 to 23 + 6 weeks – for medical or surgical procedure

Women can be referred to either - **MSI 0345 8725435** or
- **BPAS 0345 7304030**

Kings College Hospital London should only be used where the independent sector **BPAS** or **MSI** cannot perform the procedure due to pre-existing medical conditions. Please call: **02032999000 ext. 35010**

Patient information leaflets for out of area clinics and procedures are available.
