Festive greetings to all the Pharmacy Contractors and Pharmacy Teams in Cornwall from your LPC.

As we approach the Christmas holiday period we would like to remind you that the NHS Emergency Supply Scheme has been extended to in hours until January 1st. Also I would like to remind you of the special number for health care professionals to ring Cornwall Health, the GP Out of Hours service provider, it is 01872 224045. This number must not be given to patients, it is to be used if you have any queries with prescriptions written by the out of hours service.

We have also had feedback that some of the payments for the Domiciliary Visits that were claimed by posting a claim form to Wakefield may not have been processed correctly. I know this is a real inconvenience, however could any Pharmacy who has made a claim please re submit it sending a copy of the claim to Ann Lilly, Prescribing and Medicines Optimisation, NHS Kernow Clinical Commissioning Group, Sedgemoor Centre, Priory Road, St Austell, PL25 5AS. It would be a pity to do the work and not get the payment or use the funds allocated. Many apologies for this. Also please send any future claims direct to Ann Lilly, not Wakefield.

If you have any queries please ring the LPC on 07734056305
