A fantastic Health Care Assistant development opportunity

Your LPC in conjunction with the Cornwall Health Promotion Department and Public Health England has created an opportunity for Community Pharmacy Medicines Counter Assistants or Dispensary Staff to be undertake a one day training course, leading to being qualified to Royal Society of Public Health Level 2. This will provide Pharmacy Staff with a development opportunity which will enable them to be more effective in helping patients and customers who need support and encouragement to make positive changes in their lives. This will enhance the reputation of your Pharmacy as the place to access health advice and improve your customer's loyalty. It will also increase the delegates work satisfaction in making a bigger difference to people's lives.

There will be a multiple choice assessment at the end of the day

There are two opportunities to attend this training, one in East Cornwall and one in West

Thursday 9th October Carew House, Bodmin. PL31 2QE 9 am for 9.30am

Wednesday 22nd October Hub Club, Pool, Redruth. TR15 3QS 9am for 9.30am

Please register by e mailing phillip@cornwalllpc.org or ringing on 07734056305

Nominations to be received by 17th September
