Weekly e-communication for Pharmacies

Welcome to this week's edition.

1. EPS 'Spine 2' Update

Following discussions today with HSCIS it appears that many of the recent issues with the recent Spine 2 update have been resolved, however, it is still worth keeping an eye on the 'news' section of their website for any further updates

2. Health Promotion Training – Cornwall Pharmacies

In conjunction with the Cornwall Health Promotion Department and Public Health England your LPC has arranged a one day training course offering a fantastic development opportunity for Community Pharmacy Medicines Counter Assistants or Dispensary Staff leading to being qualified to Royal Society of Public Health Level 2. A flyer is attached and can you please apply to join the course by e mailing phillip@cornwallipc.org or ringing him on 07734056305. Please can you reply as soon as possible as it would be a great opportunity missed if this event were to be cancelled due to lack of numbers.

3. Prescription issue forms for August Bank Holiday

If your pharmacy was open on August bank holiday and you have not already done so, please can you kindly ensure that your completed form showing how many prescriptions you dispensed is returned to Stacey as soon as possible stacey.burch@nhs.net

If you have any articles you would like us to include in the weekly E-Communication then please let us know.
