Dear Pharmacy Provider

2016/18 Pharmacy Enhanced Services Contract

As you'll be aware your current Pharmacy Enhanced Services Contract is due to expire on the 30th June 2018, we wish to inform you that NHS Kernow Clinical Commissioning Group would like to extend your current contract agreement for a further period of 12 months (no later than 30th June 2019) as per Schedule 1C of the Contract Particulars.

To this effect, please find attached a Deed of Variation to extend the contract and update it with the 2018-19 NHS terms and conditions.

A copy of the updated General and Service Conditions have also been attached for your information, please note the Contract Particulars and Service Specifications remain unchanged.

Further guidance regarding the 18/19 update can be found here - <https://www.england.nhs.uk/nhs-standard-contract/17-19-updated/>

If you accept this extension offer can you please post a signed hard copy of the Variation signature page to us at the above address by **06/04/18**, otherwise we will presume you do not wish the contract to extend and as such it will terminate on 30th June 2018.

Thank you for your continued cooperation and we look forward to working with you for the forthcoming year.

Yours sincerely
