

Memorandum of Understanding between Devon and Cornwall
& Isles of Scilly LPCs

1. Work jointly at the interface between Area Team and Community Pharmacy
 - Jointly attend liaison meeting
 - Work jointly on projects and service development when Area Team is main stakeholder
 - To seek funding opportunities to progress Pharmacy across the peninsula
2. Share learning, knowledge and intelligence with cross fertilisation of ideas for the benefit of Community Pharmacy across the peninsula
3. Maximise efficiencies of back office functions
4. Hold joint meetings when economy of scale and greater participation outweigh travel issues. When appropriate work jointly to develop events and then deliver locally
5. Use joint advocacy for the progression of Community Pharmacy across the peninsula
6. Still foster a sense of local ownership and representation.
