

Patient interview invitation letter: Version 1, 11.11.16

**PHARMACY CARE PLAN SERVICE EVALUATION**

**Interview invite**

As part of our evaluation study, we would also like to talk to patients who have used the Care Plan service to find out more about their experiences. To do this, we would like to do some short telephone interviews (approximately 20 minutes).

If you would be willing to be contacted by a member of the team to discuss whether you would be willing to be interviewed, please fill in the form below and return it with your questionnaire. Further details about the interviews can be found in the Participant Information Sheet or you can contact [liz.seston@manchester.ac.uk](mailto:liz.seston@manchester.ac.uk) or 0161 275 2420 if you have any questions. Thank you.
