### Legal guidance for those living with dementia

Tues, 24th April 7.15pm

Charlotte Pisuto, from Hugh Jones Solicitors, will discuss the steps which may be taken by a person, or their carer(s), to support their lifestyle and affairs following a diagnosis of dementia, with plenty of time for questions and answers.

### The Future for Caring for People with Dementia at Home

Tues, 8th May 7.15pm

Liz Goodger, lead commissioner for Home Care Services at Manchester City Council, will give an overview of home care services provided by Manchester City Council and the needs of the people who use them. This will be followed by a debate about what the future of home care support should look like in Chorlton and Whalley Range.

### Support following a Dementia Diagnosis

Tues, 22nd May 7.15pm

The Dementia Lead for Manchester will talk about proposals for what should happen after someone is diagnosed with dementia. This will be followed by a presentation from Helen Hibberd, Coordinator of Chorlton Good Neighbours, talking about what happens now, and the support that they offer for people using their services who are diagnosed with dementia., followed by a discussion.
