Community Based Services - Sexual Health Contracts

FAQs for Pharmacy

Please find enclosed a range of information and resources to support you in the delivery of the EHC & Chlamydia Screening Public Health Community Based Service.

The new EHC posters and window stickers have been produced in consultation with local young people and replace the old 'pink' laminated posters so please remove these and use the new images.

If you have any queries about any of this information please contact us via publichealthclaims@leics.gov.uk

Where can Pharmacists access training to provide EHC in Leicestershire & Rutland?

Visit the CPPE website cppe.ac.uk to access the required online modules. (EHC and Contraception, Safeguarding Children and Vulnerable Adults.)
