28<sup>th</sup> November 2016

**For information only**

Dear Community Pharmacists,

Please be aware of West and East Leicestershire and Rutland CCGs new Gluten Free policy for implementation from Thursday 1<sup>st</sup> December 2016. Please refer to the CCGs website below for further information.

[East Leicestershire and Rutland CCG Changes Gluten Free Prescribing](#)

[West Leicester CCG Changes to Gluten Free Prescribing](#)

Please find attached a copy of items that will be allowed on FP10 prescriptions with ordering codes and letter sent to patients. The FAQs can be found [here](#). The information will be posted out to patients by their GP practices in the coming weeks with the accompanying letter.

Items on existing repeat prescriptions will be reviewed and letters written to patients asking them to complete a re-order form and return to their GP practice. We anticipate this to occur in the first two weeks of December but may take longer in some practices. During this transition period please check with your local GP practices if ordering any Gluten free items on repeat prescription as their existing repeats may have been removed and the patient may need to complete a new order form should they not already have done so.

Please note for the time being Leicester City CCG will be continuing to use the guidance currently on LMSG.

Thank you for your continued support.

Yours Sincerely

Gillian Stead  
Head of Prescribing  
West Leicestershire CCG

## Gluten Free Products Ordering Information

Community Pharmacy Ordering Information for Gluten Free Products West Leicestershire CCG						
Make	Description	Size	Pack size	Other information	Added calcium	PIP code
