LLRLPC launches on-line training solution for all Pharmacies provided by Virtual Outcomes

To All Pharmacists and Pharmacy Teams

As part of our on-going programme of training, the LPC has invested in an on-line training solution for all pharmacies – free to access for all Pharmacists and Pharmacy Teams.

The courses are designed to support the NHS Public Health Campaigns and Healthy Living Pharmacy Champions and team to ensure the best outcomes for Patients. The training is provided by Virtual Outcomes and is a monthly on-line training course that can be accessed at any time. The courses are free to all contractors and their teams.

On the 1st of each month a new course will become available and can be accessed at work or at home via a PC, tablet or mobile device. All your team needs to access the training is your F Code and they will be able to see the courses available.

Features & Benefits of the Online Training:

Access is FREE to all contractors in Leicester, Leicestershire and Rutland

- Each course takes 15-25 minutes to complete
- Certificate of completion – to go in Healthy Living Pharmacy and/or GPhC file as evidence of continued staff training
- Links to websites for resources to support the campaigns are on website and easy to access
- Hints and Tips on how to set up HLP Health Zones
- New staff will be able to access **ALL** the courses available

The topics available are Bowel Cancer, Obesity and Children's Health

Please see the link for further details: <https://www.virtualoutcomes.co.uk/>

We understand that's its difficult to release pharmacy staff to attend training but its important to maintain your HLP portfolio and evidence up to date. The course will generate a certificate once the self-assessment is completed.

Resources for Health Campaigns

You can also use the resources page to download information and links provided to set up health promotion zones saving you a lot of time trying to find resources and money in terms of staff training.

We hope that you will make use of this online e-learning platform which will help us decide whether we will continue to invest in this next year. Your feedback is important to help develop the courses so please let us know what you think.

Yours Sincerely
