HAVE YOU GOT TYPE 2 DIABETES?

WERE YOU DIAGNOSED MORE THAN 6 MONTHS AGO?

You may be suitable to take part in our research study!

The study consists of just one visit to the Leicester Diabetes Centre at the Leicester General Hospital and is looking at whether you are a morning or an evening type of person and how that affects your diabetes!

**You will also be informed of your results so
see it as a free health check on us!**

If you're interested in taking part in a research study and helping us to learn about the future of diabetes then please give the study team a call or email!
