

Community Pharmacy Sheffield

Represent • Support • Develop

City Wide Update

We are aiming for more training events in 2016/17 – don't miss these opportunities to meet members of the CPS Team and let them know what further support you need in the ever changing NHS world.

**IMPORTANT EVENT – PLEASE DON'T MISS OUT
All Pharmacists and Support Staff welcome!**

- A FANTASTIC OPPORTUNITY TO HEAR THE LEARNINGS OF PHARMACY STUDENTS ON VERY TOPICAL ISSUES - This will help you develop your services further
- LIVING WITH AND BEYOND CANCER – Following excellent feedback from an HLP event
- AGM & UPDATE ON COMMUNITY PHARMACY – WHERE WE ARE NOW & WHERE NEXT!

**Buffet from 6.30 pm for 7.00 pm – Tuesday 13 SEPTEMBER 2016
Venue: The Royal Victoria Holiday Inn, Victoria Station Road, S1 2AU
(sat nav post code)**

Community Pharmacy Sheffield is keen to support you in understanding the current developments and seizing opportunities – so please join us! We are covering a host of topics at this event as well as holding our AGM and most importantly want to hear what support you need to help you make the most of the current available opportunities in Sheffield.

These events are arranged to offer you support and a networking opportunity to help you feel part and able to have a say in how Community Pharmacy moves forward in Sheffield.
This is more important now than ever!

Programme

Community Pharmacy Sheffield has secured through CPS member and University Practice Tutor – **Adam Yates** – a great opportunity to hear from Huddersfield University pharmacy students who have undertaken extensive pieces of work around MURs, Independent Prescribing and the impact of MDS and the Equality Act on Pharmacy - their learning will be an inspiration to you all.

Steve Freedman from the CCG is going to give an overview of really useful information to support your Pharmacy Team in helping patients Living with and Beyond Cancer, which is underpinned by the extension of the Minor Ailments Service. This will include symptoms, treatment and side effects to give you all a better understanding of the patient experience.

Paul Kendrew, MSc, MRPharmS expert speaker is to present on "Evidence base for Xarelto: Building on Clinical Data with real World Evidence".

Claire Thomas, Chief Officer of Community Pharmacy Sheffield will present the Annual Report and set the scene for the year ahead.

Clare Robinson from **Sheffield Breastfeeding Friendly Award** will also be on hand to give more details about how you might support the scheme in your Pharmacy.
