Dear Pharmacist

PGD for Emergency Hormonal Contraception – Ulipristal Acetate 30mg (EllaOne) Oral Tablet

You may be aware that the current PGD for supply of Ulipristal Acetate 30mg under the terms of your contract with Sheffield City Council expired on 30th June 2017.

The PGD is currently being reviewed and extended; you will be notified when this has been completed. In the meantime I am writing to ask you **not** to dispense Ulipristal Acetate 30mg under the terms of the existing PGD during this period.

If you have any questions in relation to this please do not hesitate to contact Amy Buddery, Health Improvement Principal amy.buddery@sheffield.gov.uk tel: (0114) 273 5482.

Yours Sincerely

Greg Fell

Director of Public Health

Sheffield City Council
