City Wide Update

We are aiming for 4 main training events in 2015 – so don't miss this opportunity to meet the Committee and let them know what further support you need in the changing NHS

- Urology Training Event
- Summary Care Records Access – Roll Out

Buffet from 6.30pm for 7pm – **Tuesday 7 July 2015**

The Quaker Meeting House, 10 St James Street, Sheffield S1 2EW
(just behind the Blood Donor Centre - Cathedral stop on the tram)

This evening event's topic on 'Urology' has been requested as a number of pharmacists have mentioned they get queries from patients and would like to be better informed to offer advice.

We are also taking this timely opportunity to provide details on enabling access to patients' Summary Care Records, for **all pharmacies in the city**. Sheffield has already participated in a very successful 'proof-of-concept' pilot.
