

Teething

| | |
|---------------------------|--|
| Follow-up Advice | Conditional referral: <ul style="list-style-type: none">• Consult GP if symptoms and pain (if child crying inconsolably) are excessive |
| Counselling Points | <ul style="list-style-type: none">• Use of cooled teething rings can help reduce the sensation of pain and give babies something to chew on• Extra comforting can often be the only intervention required |
