Dear Pharmacist

Re: Alcohol Brief Interventions (Healthy Living Pharmacists only) and Stop Smoking Services – Contract Extension Confirmation

Further to our letter dated 23rd February 2018 extending your current contract for Alcohol Brief Interventions (for Healthy Living Pharmacists only) and Stop Smoking Services to 30th September 2018, please accept this letter as confirmation that we wish to further extend your contract to 30th June 2019.

May we take this opportunity to apologise for the delay in confirming the contract extension.

As you are aware the Alcohol Brief Interventions, Stop Smoking and NHS Healthchecks services was in scope for the Bristol Behaviour Change for a Healthier Lifestyle programme procurement which was curtailed at tender scoring stage due to emerging uncertainties over future funding.

Please note that we are currently reviewing all of the Public Health commissioned services in preparation of a Public Health Commissioning Strategy which will go out to public consultation early next calendar year.

I hope the contract extension is acceptable to you, but please do let me know if you want to discuss the issues in this letter any further.

Yours sincerely

Susan Milner
Interim Director of City Wellbeing, Resilience and Strategic Partnerships (DPH)
