Dawa Ltd	Y Available in Pack size 5's and 10's	<p>Available to primary care</p> <p>Phoenix wholesalers (PIP Code 8864597)</p> <p><u>Sufficient stocks to supply primary care demand</u></p> <p><i>DAWA Ltd, have recently communicated the following message to all CCG's for onward cascade.</i></p> <p><i>Note from DAWA Ltd;</i> <i>We have been made aware from multiple CCGs that there is a supply chain disruption of Haloperidol Injection. There has been an increase in demand in recent weeks due to COVID-19. We want to reassure the CCGs that there is stock available from the mainline wholesalers, at the moment. Phoenix UK has good stock levels. Should anyone in Primary Care or hospices still struggle to get hold of stocks, they can get in contact with us directly, and we can arrange supply to them.</i></p> <ul style="list-style-type: none"> · PIP CODE: 8864597 HALOPERIDOL INJ 5MG/ML PI 10 · T: +44 (0) 20 8423 3800 · E: vikash@drugrus.co.uk 	<p>Available to secondary care</p> <p>Available for <u>contracted</u> regions.</p> <p>For urgent orders please speak to DAWA directly on; 020 8423 3800</p>
