Dear Pharmacist

Issue of new Pharmacy Supervised Consumption Service Level Agreements

Hull Renew - Change Grow Live (CGL) will be working with pharmacists to issue new service level agreements to all pharmacies currently participating in the supervised consumption service following the re-commissioning of the new substance misuse contract.

The existing contract with Hull City Council will end on the 31-10-18 and Hull Renew (CGL) will issue new agreements to commence from the 01-11-18.

From 1st November 2018, CGL will continue to use Pharma-outcomes to measure numbers and make payments for activity. The CGL templates will be available to preview from 1st October from your service screen but you will be able to enter supply information from 1st November. All information relating to supplies prior to the 1st November should be entered into the Hull city council service templates.

CGL will continue to use pharma-outcomes as the preferred platform for on-going communications and updates prior to and thereafter 1st November 2018.

In preparation for the new contract to commence please could you:-

Read, sign to confirm that you approve of the attached service level agreement with effect from the 01-11-18, and return via email to: damaris.collins@cgl.org.uk Implementation Manager

*** Note – If your pharmacy is a branch, contracts will be sent directly to Head Office for approval, however will be posted on the pharma-outcomes system for review purposes***
