

Pharmacists, pharmacy technicians and other pharmacy team members let's get together

Sussex and Surrey
Tuesday 4 February 2020 | early evening | Gatwick

We're excited to announce our first joint networking and education sessions hosted by local pharmacy leaders

Whether you're a community, PCN, CCG or secondary care pharmacist, a locum or a pre-reg student, you're one of us, and we'd like to invite you to join us at this event for an evening of food and networking.

There are hundreds of pharmacists who live and work in Surrey and Sussex, making this not only a great opportunity to reconnect with old friends and colleagues, but also to expand your professional network and make valuable contacts across our three NHS sectors.

You'll also have the chance to hear about anticoagulation (education session) and find out about some of the BIG issues facing our sector over the next 12 months and beyond, making comments, asking questions and giving feedback on what matters to you most.

This professionally focussed event is free to attend, and you don't need to attend all parts (although we'd prefer you did!), but places are limited so please register in advance to avoid disappointment. [Register your place\(s\) NOW](#)

Our get-together will be in three parts

Part 1: A choice of **food from a hot buffet**, after a long day at work

Part 2: Education session (7pm-ish): ***Supporting appropriate use of oral anticoagulant therapy led by UK Clinical Pharmacy Association (UKCPA)*** [Read why this session is important and learning objectives](#)

Part 3: Pharmacy 2020 ((8pm-ish). Facilitated by your pharmacy leaders with opportunities to ask questions, get clarity and start to explore the next steps in the journey of the future of pharmacy. For example, community-based colleagues may wish to seek practical help with PQS declaration and both community and GP-based pharmacists could start to explore the professional challenges they may face through PCNs. The floor is yours.
