

What is the criterion?

- On the day of the review, the pharmacy's NHS 111 Directory of Services entry is up to date

What do I need to do?

1. Search for your pharmacy entry by entering your postcode or ODS code at <https://view.pathwaysdos.nhs.uk/>
2. Select your pharmacy* and check the information listed is correct, making a note of any inaccuracies (Your local NHS 111 DoS Lead will be in contact for this information at a later date)
3. Complete the survey at <http://bit.ly/2n9en5v> which will inform your local NHS 111 DoS Lead that you have reviewed your DoS entry and will detail any changes that need to be made

How do I evidence this?

- Once the survey form has been completed, you will receive a confirmation email which should be retained as evidence that this quality criterion has been met.

*NB: If your pharmacy has multiple profiles listed on the DoS viewer, you will need to check each entry listed
