Supporting Community Pharmacy in Devon

Vision: To deliver community pharmacy in Devon by being an integrated part of the health network across Devon

Mission: To inspire community pharmacy to become the easily accessible place in the community that people seek out for their Health and Wellbeing needs

Our Aims

- To support Community Pharmacy to deliver the New Pharmacy Contract
- To support Community Pharmacy to be fully integrated with the local Primary Care Networks
- Develop seamless integrated services with Community Pharmacy at its heart to deliver the local Health agenda
- To be seen as a “Valued” health care provider by the public, commissioners and partners

What they say about us

The public

“Our first port of call when I need some help on my health or my wellbeing”

Commissioners

“They are bold in visualising the future and moving Community Pharmacy into new areas where they consistently deliver”

PCNS and Practices

“They are my partners of choice when considering the development of service offers”
