

**Greater Manchester  
Healthcare Academy**

# GM Healthcare Academy: supporting you & your pharmacy team

Adam Irvine, Chief Executive of GMLPC

Greater Manchester Community Pharmacy Conference: 23<sup>rd</sup> September 2018

Developing teams, enhancing care for future generations

# GM Healthcare Academy

**A partnership between the NHS and community pharmacy, supported by key education & training providers**

- Focus on engaging & supporting community pharmacies to achieve their full potential in service delivery
- Extensive range of training and events for community pharmacy
- Easy to attend: events in multiple locations / webinars
- Based on your needs/requested topics – plus those crucial for future pharmacy

**We support the whole pharmacy team**

# Who we are

# Feedback so far

“Found the whole of the session a help and given us ideas and thoughts of how to deal and change my way of working.”

“Engaging presenters, with good ideas. [Delivered] in an interesting way. Very thought provoking.”

“[Getting] group suggestions from each table was an excellent idea.”
