

#PHARMACYHEROES

GMLPC
PRESENTS

An elderly gentleman presented after hearing an advert on radio 4. Staff had the opportunity to offer him a safe space.

As he wasn't tech savvy, they helped him find the resources he needed. He was entirely grateful.

The pharmacist found the numbers for Age UK, GoodSAM and a couple of men's support lines. They also made a referral to IDI to get a welfare check.

The gentleman rang the pharmacy later to show how grateful he was.

Thank you Emma, and well done to your team!
