Dear Pharmacy Contractor

Thank you for continuing to deliver the Needle Exchange and Supervised consumption services during the current challenging times due to the pandemic. This letter is to confirm the existing service specifications (dated NX April 2019 and SC 2018) are being extended from 1st April 2020 to 31st March 2021.

I trust this is satisfactory and there will be a separate communication in due course regarding next financial year.

Yours sincerely,

John Burton
