pharmacy

We're proud to introduce the Accord Partner Platform, a new place for all things Accord. Like us, it's here to make everything as easy as possible for you. We've packed it with:

- Our educational materials, including every new issue of Category Matters, ready to read and download
- Bitesize training modules, helping pharmacy staff to deliver services and learn at their own pace, with new ones added regularly

A news feed, so you can stay up to date on industry developments and how they affect you
Details on how the Accord Scheme can benefit you or your business
Educational content to support your CPD

So that's a little bit about the Accord Partner Platform.

To get started, click here >

or visit www.accordpartnerplatform.co.uk

And this is just the beginning. With regular updates and new materials to come, we are constantly making it better, so make sure to visit us again soon
