Please see additional information on Page 2

- Please note the pharmacies will make every effort to have the medication available. However, there may be times when the medicines are out of stock and you may have to try an alternative pharmacy.
- The opening hours are correct at this time, but they may vary due to staff shortages and backlog of work.
- Please phone the pharmacy to check stock and opening hours before travelling
- Milton Keynes Urgent Care Service or Willen Hospice should only be contacted for a prescription to be dispensed if you have contacted all the pharmacies likely to be open first.
