FREE HEAD AND NECK CANCER STUDY MORNING

Including diagnosis, referrals and top tips for primary care from Mr Nigel Beasley, ENT Surgeon and Mr Muzzammil Nusrath, Oral & Maxillofacial Surgeon.

9am - 1pm on Saturday 22nd June 2019
@ The Source, 300 Meadowhall Way, Sheffield, S9 1EA

Other sessions across the study morning will include...

Using cancer case reviews to improve **Early Diagnosis** and reduce **emergency presentations**.

Learning points from the **Vague Symptoms** pathways during the **first year**.

Patient stories, case studies, stalls, refreshments & much more!

This **FREE** training day will be a great opportunity for **GPs and ANPs** to learn about important cancer topics, and provide an invaluable chance to **network** with secondary care colleagues.
