

CPCS workshops delivered in collaboration with Sheffield LPC

CLICK ON THE DATE BELOW TO BOOK YOUR PLACE

TUESDAY 23 NOVEMBER, 7PM-9.30PM & TUESDAY 30 NOVEMBER, 7PM-9PM

Attend NHS CPCS workshop to gain knowledge and confidence for GP CPCS including history taking and identifying red flags. Sessions are free for RPS members and non-members.

You'll get instant feedback from GPs and other professionals, so you're ready to demonstrate the full range of your skills and the importance of pharmacy.

Build your confidence in:

- Performing clinical examinations
- Identifying red flags in consultations
- Supporting clinical reasoning with evidence-based practice
- Involving patients during decision-making
- Concluding consultations with safety netting, signposting and referrals
- Promoting self-care and prevention measures
- Completing accurate clinical records to support data sharing
- And more!
