

# NHS GP COMMUNITY PHARMACY CONSULTATION SERVICE

**Edward Garvey**  
**Primary Care Commissioning Officer**

Somerset CCG

# The Somerset System

System wide approach – Including LPC, LMC, Somerset CCG and NHSE.

## What we have done so far?

- Engaged with 65 Practices and 13 PCN's Across Somerset.
- Attended engagement events with key Stakeholders- SEAG and PPG.
- CCG investment in Referral System to link to pharm outcomes.

# Implementation process

**Wave 1-** X 3 PCN's (Early) Go live this month.

**Wave 2** (Main)- May - July

**Wave 3** (Late adopters) August – September

Support from Implementation Managers

## Communications

- Posters at GP practices and local pharmacies
  - Tool kits for GP Surgeries
  - Social media content
- Information on GP and community websites and newsletters
- Case study with GP and pharmacists talking about success of service

# What we aim to achieve

We will work hard to achieve 100% switch on of all GP practices in Somerset.

We want to make this a success and we are fully committed to make this happen as a system.

Ensure the population of Somerset receive a high quality of care by ensuring that they receive the best care in the best place with the best professional at the right time!

# Thank you

- Please contact me if you have any further questions.
