Pharmacy Quality Scheme: _____ training requirement

Community pharmacy contractors may be required to provide evidence to regional NHS England and NHS Improvement teams or the NHS Business Services Authority to show that they have met the Pharmacy Quality Scheme criteria. This table can be used to record details of those staff members who have satisfactorily completed any required training and associated e-assessment.

Contractors should also retain copies of certificates or equivalent when members of staff pass any e-assessment.

Member of staff or locum's name	Date course completed
